April 2007

NATIONAL DO NOT CALL REGISTRY

The National Do Not Call Registry gives you a choice about whether to receive telemarketing calls at home. Most telemarketers should not call your number once it has been on the registry for 31 days. If they do, you can file a complaint. You can register your home or mobile phone for free. Your registration will be effective for five years. You can register online at www.donotcall.gov, or by calling toll-free at 1-888-382-1222.

Have you checked out Minerva Valley Wireless yet? We are excited to be able to offer you competitive wireless telephone service plans with a local appeal!

LOW-INCOME TELEPHONE ASSISTANCE PROGRAMS

Two federally assisted programs are available through Minerva Valley Telephone Co., Inc. for low-income telephone assistance.

LINK-UP is a plan that assists qualified low-income Iowans to obtain basic telephone service by

providing:

- Reduced connection charges for basic phone service by 50%.
- Deferred payment of connection charges, without interest.

LIFELINE is a plan that assists qualified low-

income Iowans by providing a monthly credit on their telephone bill in an amount of \$6.75.

Eligibility for one or both programs is based on participation in at least one of the following:
Medicaid, Supplemental

Security Income (SSI), Federal Public Housing Assistance, Low-Income Home Energy Asst. Program (LIHEAP).

For more information or to obtain an application for one or both of these programs contact Minerva Valley Telephone at 641-487-7399.

ATTENTION HIGH SCHOOL SENIORS SCHOLARSHIP OPPORTUNITY

Minerva Valley Telephone Co., Inc. believes in the growth and continued education of our young people. Because of this belief, one \$500 scholarship will be awarded to a qualified high school graduating senior who will be attending either a two or four-year accredited college or vocational school.

The basis of the scholarship will be need, leadership, scholastic achievement, service, character and self-motivation.

To be eligible, applicants must be students in either the Colo-Nesco or West Marshall school district and must live in either the Zearing (487) or Clemons/St. Anthony (477) telephone exchanges.

In addition, the applicant's family must have had Minerva Valley Telephone service on or before September 1, 2006 and currently be a subscriber.

The Board of Directors of Minerva Valley Telephone will decide who will receive the scholarship. The scholarship will be awarded at the June board meeting.

Students may pick up an application at their high school Guidance Counselor's office or at the Minerva Valley business office in Zearing. Please contact 641-487-7399 if you have questions or would like more information.

IS YOUR COMPUTER SECURE?

Internet usage is becoming as common as talking on the telephone for many people today. Are you confident that your computer is safe from viruses? If you're not so sure we can help you out. **SecureIT Plus is a fully automated and guaranteed computer protection service** available to you from Minerva Valley. It is a single service that is made up of a suite of technologies that are fully managed and supported to protect your computer.

For the low monthly cost of \$7.95 Secure IT Plus service provides:

- Fully automated protection and removal of viruses, spyware and ad-ware
- Automated hard drive maintenance and optimization
- Monthly email reporting
- Free professional installation
- Free technical support
- Guaranteed protection

All of this is included in the price of SecureIT Plus and is kept up-to-date automatically...you'll never have to worry about Internet Security again. Plus, the service is guaranteed. If you do have problems with an Internet-delivered issue while using properly installed SecureIT Plus services, your computer will be repaired at no charge.

If your time is valuable, or you are not a computer security expert, this service is for you! Call Minerva Valley at 487-7399 to get SecureIT running on your computer!

DIAL BEFORE YOU DIG!!!

Spring is here and along with spring comes planting gardens, putting in or taking out fences, widening driveways, planting trees, and many other activities that involve digging. We would like to take this opportunity to remind everyone to **DIG SAFELY AND BE SURE TO CALL IOWA ONE CALL AT 1-800-292-8989 AT LEAST 2 WORKING DAYS BEFORE BEGINNING YOUR PROJECT.** Iowa One Call will notify any and all utility companies that may have service in or around the location where you will be working. The utilities will then locate their facilities free of charge. Iowa law requires that you have services located before digging. It's fast...it's free and it's the law!
